## REQUEST FOR SUPPLEMENTAL ACTION

Transmission of Issue Fee; Petition to Withdraw from Issue; or Request for Continued Examination

Sir:

In the Notice of Allowance mailed April 22, 2005, claim 1 is allowed, but claims 2-19 are not mentioned. Applicant submits, therefore, that the Notice of Allowance is incomplete under 37 CFR 1.104(b) (see also MPEP 707.007(i)) and respectfully requests a Supplemental Notice of Allowance indicating allowance of all pending claims or, if one or more pending claims are deemed not allowable, an Office Action setting forth the reasons for non-allowance.

Applicant notes that claims 2-19 were submitted in an Amendment filed March 22, 2005 together with Terminal Disclaimers that are referenced in the Notice of Allowance. Applicant has enclosed a copy of the Amendment together with a postcard acknowledging receipt of same in the USPTO.

If claims 2-19 have been allowed and such status inadvertently omitted from the Notice of Allowance, or upon any other determination that the issue fee is due for allowance of pending claims 1-19, applicant requests this paper be treated as a Transmission of Issue Fee and hereby authorizes the Commissioner to charge deposit account 501914 for the issue fee, publication fee and advance order fee as set forth on enclosed Form PTOL-85.

If entry of claims 2-19 is denied for any reason, applicant requests this paper be treated as a Petition to Withdraw from Issue under 37 CFR 1.313 due to the non-entry of claims 2-19, authorizes the petition fee to be charged to deposit account 501914 and requests that claims 2-19 be entered as set forth in the attached copy of the March 22, 2005 Amendment.

If entry of claims 2-19 is denied and the Petition to Withdraw from Issue is also denied, applicant

requests that this paper be treated as Request for Continued Examination (RCE) under 37 CFR 1.114, authorizes the RCE fee to be charged to deposit account 501914 and submits the attached copy of the March 22, 2005 Amendment as the submission required under 37 CFR 1.114.

Applicant hereby authorizes deposit account 501914 to be charged for any other fees that may be due in connection herewith. A duplicate of this paper is provided for account charging purposes.

Respectfully submitted,

Shemwell Gregory & Courtney LLP
